

BECAUSE
BUSINESS
DOESN'T HAVE
TO BE BORING!

Lauren Fritsch is a speaker, strategist and founder of TCC Consulting Group. She's not only an exceptional speaker, but also she walks her talk. She only presents concepts, strategies and tools that she also uses in her consulting work. Her ability to speak engagingly from experience sets her apart from the rest of professional speakers and her approachable manner make her talks both inspiring and actionable for her audiences.

Her work has been spotlighted by ABC, Social Media Week in NYC + DC, South By Southwest, the INC 5000, Vision2Venture, Let's Talk Live, Design*Sponge, and Katie Couric.

“ Lauren's 90 minute talk was worth the entire \$1000 ticket price. ”
JAMES LA BARRIE
